THE SIMPLE AGREEMENT

- 1 Submit the referral before the client engages Wake Up. New referrals, or people not already in an active Wake Up conversation, qualify. If a referral is duplicated, the earliest verified submission controls.
- 2 Wake Up will pay you 10% of program and service fees actually collected from a qualifying client you directly refer.
- 3 Referral fees are paid within 30 days after the client's payment clears. Refunds, credits, chargebacks, taxes, and pass-through expenses are excluded or adjusted.
- 4 You make the introduction; Wake Up handles the conversation, proposal, pricing, contract, and delivery. You may not bind Wake Up or promise terms on its behalf.
- 5 Represent Wake Up honestly and respectfully. No spam, misleading claims, or sharing a person's information unless they reasonably expect to hear from us.
- 6 You are an independent affiliate, not an employee or agent. You are responsible for your taxes, and a W-9 may be required before payment.
- 7 Either side may end this relationship at any time. Qualifying referrals accepted before termination remain eligible for the stated referral fee.
